

### LEARNING THE BAGPIPES AND PIPE BAND DRUMMING

Classes for piping and drumming are arranged on a regular basis. Tuition in a group is a productive way to learn these exciting instruments. The experienced tutors will follow the prescribed course to cover the initial aspects of piping and drumming. Pupils start bagpipe tuition on the practice chanter while learner drummers begin with sticks and a practice pad. Only once they have mastered these would they progress to the full instrument and at that time we can discuss what is involved in getting bagpipes and drums. If you have any questions or want more information please contact:

Piping: Kerry Marshall 833 7088 [piper@clear.net.nz](mailto:piper@clear.net.nz)

Drumming: Geoff Bainbridge 879 8227

If you would like to take part in these lessons please complete the form below and return it to Kerry Marshall.
