

Learning Bagpipes And Pipe Band Drumming! Want to be a Supporter?

Tuition in a group is a productive way to learn these exciting instruments. The experienced tutors will follow the prescribed course to cover the initial aspects of piping and drumming with pupils starting bagpipe tuition on the practice chanter and drumming with sticks and practice pads. Only once they have mastered these would they progress to the full instrument - at that time we can discuss what is involved in getting bagpipes for pipers. Please register your interest by completing this form and emailing it to haveago@napierpipeband.nz
